

Decking

Reclaim your weekends.

Free time was meant for rest and relaxation, not power washing and deck staining. Fortunately, Fiberon® decking is incredibly easy to maintain. No more Saturdays spent sanding or re-staining your deck or paying someone else to do it. Our patented PermaTech® cap layer protects against spills, stains and UV rays, while the solid composite construction means no splintering, cracking or rotting. Wood decking simply can't compare.
